### Patient Safety Update

The number of patient safety events have been reported for the month of December! We had 8! It doesn't sound like much, but it is the most patient safety reported events we had for the 2017 year in one month. We typically average 3 a month.

Thank you to all who took the time to notify us of a patient safety event/enter patient safety event into MIDAS!

By reporting events, we are able look into current processes to identify if there is any need for change to keep the same event from happening again. We can't get better if we don't know what we need to work on!

Anglia Dailey, RN, MSN  
Patient Safety Officer/Coordinator

### Dr. Craig Horton Retires

On Thursday, Jan. 4, Meadows employees celebrated the retirement of Dr. Craig Horton, for 12 years of service with Meadows. Congratulations on your retirement, Dr. Horton!

### VWC Supports the Georgia Bulldogs

The Vidalia Women's Center staff wore their red and black on Friday, Jan. 5 in support of the Georgia Bulldog championship game.

### Welcome Heather Helton!

We are excited to announce that Heather Helton has accepted the position of Practice Manager for the Dublin Campus - the practices of Gastro, Dublin Urology, and Dr. Moses. Heather started in her new position on January 8 (new employee Orientation) and January 9 in the Dublin practices. Welcome Heather!

### Baby Shower at RT Stanley

RT Stanley Health Center held a baby shower for expecting LPNs Samantha Dowd, left, and Amanda Williams, right. They are both due within a week of each other, and are both expecting girls. Congratulations!

### First Pay Period of 2018

Dear Staff Members,

This week is the first pay date for 2018. It is very important to review your pay stub to ensure all elected products and withholdings for the 2018 Plan Year are accurate.

If you have questions or concern, feel free to contact Payroll via email at payroll@meadowsregional.org or by phone at 912-535-1951.

Thanks,  
Jessika May  
Payroll Specialist
