MENU

We Believe...

In the power of food to advance your healing and aid in your wellbeing. Its power to connect, comfort, restore and rejuvenate. Motivated by this belief, our team of Chefs have put together a menu of daily specials featuring fresh ingredients which are locally sourced whenever possible. These modern offerings will be tailored to meet your specific dietary needs providing you with an exceptional experience.

Please Enjoy...

A Patient Care Host/Hostess will visit you ahead of each meal to answer questions and guide you through the ordering process.

ACCORDING TO THE CDC...

2 million people are admitted to the hospital each year w/ antibiotic resistant infections. To help reduce that number, our chefs are proud to use No Antibiotic Ever (NAE) meats and sustainably sourced seafood in all the meals we prepare at Lancaster General Hospital. For both your health and the health of the environment, we also offer plant-forward and vegetarian menu options. Please ask a patient dining associate with any requests.

NO ANTIBIOTIC.
EVER.
